

K5100 and K4100 Industrial Label and Wire-Marking Printers

K5100 Handheld Portable Label and Wire-Marking Printer offers on-demand identification at its best. Print customized labels, bar codes and graphics on-site or at your desk. Other features include alpha/numeric sequencing, 10 resident bar codes, rotate feature, up to 6 print lines, 6-72 point sizes and a variety of print styles including bold, italic, underline and mirror.

K4100 Desktop Industrial Label Printer far surpasses other desktop models with its built-in flexibility. K4100 shares the same features of the K5100 model making any label application easy and professional at your desk or workbench. Both models connect to your PC for customized label applications using fonts and graphics from your PC.

Printer Features Include:

- ▶ Auto Sizing
- ▶ 300 DPI Print Resolution
- ▶ Increased Print Speeds
- ▶ Scalable and Downloadable Fonts
- ▶ Use Stand Alone or with Your PC
- ▶ Internal Battery Charger K5100 Only
