ENGLISH

RS Pro SG Series, Cable Mount IDC Connector Socket, 16 Way, 2.54mm Pitch

Product Details

RS 2.54mm Universal PCB Box Headers and IDC Ribbon Cable Sockets

A range of 2.54mm pitch PCB mount box headers and IDC ribbon cable sockets that are compatible with connectors conforming to BS9525-F0023. These 2.54mm Universal PCB headers and IDC sockets have grey UL94V rated glass filled polyester housings and gold flash plated contacts and terminations. The 2.54mm universal headers are fully shrouded with long ejection latches either side. The 2.54mm universal IDC ribbon cable sockets have no centre bump, have an open design making them suitable for daisy chaining and are supplied part assembled with a strain relief for rapid cable insertion.

Specifications:

Number of Contacts	16
Gender	Female
Pitch	2.54mm
Mounting Type	Cable Mount
Body Orientation	Straight
Termination Method	IDT
Current Rating	1A
Contact Plating	Gold
Series	SG
Minimum Operating Temperature	-45°C
Maximum Operating Temperature	+105°C
Housing Material	Glass Fibre Reinforced PET
