Auto Half-Cut

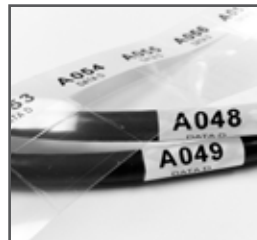

Mixed-Length Label

Professionals pay attention to detail and demand perfection. That's why the LW-PX700 is the printer of choice for industrial applications. We designed this printer for the specific needs of electrical, industrial and datacom professionals.

Cost-and time-saving features are why professionals buy the LW-PX700. The lifetime warranty, affordable price, lower printing costs and excellent customer service are why professionals love the LW-PX700.

We stand behind our products 100%, and you will too!

Self-Lam Wire Wrap

Heat Shrink Tube

Magnet Tape

Patch Panel

Block 66

Barcoding

*On single-printed labels. Batch printing with a 1mm margin setting will print a 4 mm lead on the first label, and 1mm margins on all following labels in that batch.
