

45" Reach Wide View Illuminated Magnifier Clamp-On

- 3-Diopter Primary Lens (1.75 times magnification, 13" focal length, 7" viewing area)
- 45" long spring balanced articulating arm
- VC-11 clamp
- 2 PLC 13 watt bulbs
- 9' grounded cord & plug

Model: 7450

This wide view magnifying light features a large (7" x 4 1/4") distortion free glass lens for improving productivity by reducing eye fatigue. Optimum inspection is created by two separately switched 13 watt compact fluorescent bulbs ensuring a shadow free illumination onto work surfaces. The professional 45" long reach spring-balanced arm with zinc cast swivel maintains any position at the touch of a finger. The lens housing is GE Valox engineered anti-static and scratch resistant resin. The adjustable clamp mounts to surfaces up to 2 3/4" thick. A 9 ft 3-wire grounded plug and cord complete this unit. UL listed. 3 year warranty. Made in USA. Available Colors: Black
